2009 Ingenix Learning: Understanding Modifiers

ISBN: 978-1-60151-204-8

Item Number: 1654

Available: December 2008

Price: \$89.95

Manage CPT® and HCPCS Modifiers to the Fullest.

Coders of all experience levels and expertise benefit from this concise overview that trains coders to manage modifiers better. The book was developed as an educational tool for physicians and their staff as well as billers and coders of hospital outpatient services and ASC services.

- ← Gain additional revenue by correctly applying modifiers
- ← Protect your practice from fraud accusation
- ← Reduce resubmissions and associated labor costs

Key Features and Benefits

Ingenix Learning: Understanding Modifiers uses actual medical records to define modifiers and outline in detail how to apply them correctly to document services. Start the year with all the latest modifiers from both AMA and CMS.

- **NEW! — Updated for 2009.** Includes 2009 changes to modifiers and their guidelines.
- **IngenixEdge® — Educational format.** Easy-to-use format for every experience level, for use in the classroom or on the job.
- **IngenixEdge® — World Wide Web resources.** Supplies all of the up-to-date links a coder needs to find accurate modifier information online.
- **IngenixEdge® — Decision tree flow charts for each CPT® modifier.** Helps coders choose the correct modifier when more than one could apply.
- **IngenixEdge® — Real-life clinical examples.** Helps reduce claim denials by supplying correctly used modifiers and completed CMS-1500 forms.
- **Part of the Ingenix Learning educational series.** Use this with other Ingenix publications and software for consistent, accurate training.
